All bars are made using 100% Unrefined Fair Trade Shea Butter.

All Natural LOTION BARS Gluten Free

Lavishea Lotion Bars are an innovative new way to moisturize and heal dry skin. Simply rub the bar on your skin, and the heat of your body will melt the lotion onto your skin where it is quickly absorbed.

This trait makes it the perfect bar for quilting, needle arts and crafts. It is a great way to moisturize dry hands and avoid snagging delicate work without transferring a residue on treasured materials and projects.
