

New! Leaf Stem Ruler

How many times have you thought about making a Maple Leaf block but decided against it because of the time consuming stem units?

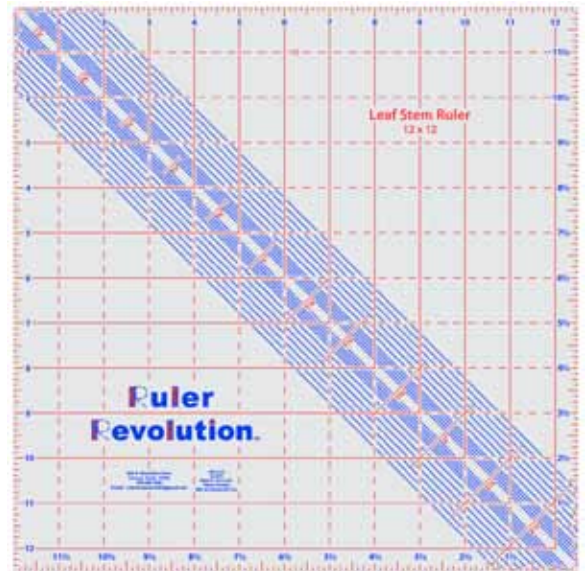

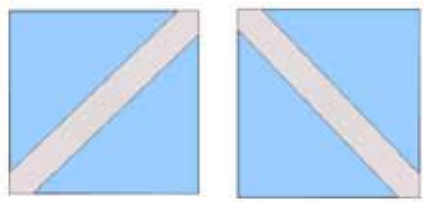

- Using this ruler multiple units can be constructed fast and easy!
- The blocks can be as small as 1" with a 1/4" diagonal strip in the middle up to 12-1/2" with a 2-1/2" diagonal strip.
- Design "X" quilt blocks in a flash as well as 100's of other quilt blocks.
- Once you have a few blocks finished, try slicing and dicing them for more great designs!
- This is an excellent ruler for the beginning quilter as well as the experienced one!

12" X 12"

- Sew strips together, line up the ruler with the center strip and cut your squares out.
