The Zip Bind System is a hand binding system that consists of several tools: 3 sizes of Zip Guns and Zip Clips, 3 sizes of Minute Mitters, and a Zip Bind Tool. Together, these tools will actually make your binding experience easy and fun. More importantly, your bindings and mitered corners will turn out perfect and consistent every time!

Stock # ZB-03

The Zip Bind tool is an amazing tool that makes bindings perfect and consistent from end to end, side to side and front to back. With the Zip Bind Tool, there's no need for even one straight pin and there's no measuring involved! Not only is the Zip Bind System perfect for quilts, it works with anything that needs binding, clipping, mitering, etc.

Stock # ZB-02

Zip Gun With 8 Clips
Whether sewing, quilting or crafting, Zip Guns and Clips are the easiest and fastest way to hold the edges of projects together. Hold fabric for perfect control.

Problems with arthritis, carpal tunnel syndrome, tendonitis, hand fatigue, neck or arm pain? Unlike traditional rotary cutters, the Ergo Cutter is held in a natural position with your arm and hand evenly distributing all of the pressure. Cuts round, scalloped or patterned shapes. Safe, automatic springloaded guard closes with a flip of a finger.
