

# Clear-Fuse™

Clear Fuse 19" Clear  
Stock# 800

A clear-backed fusible that allows you to see your tracing from either side, for all your craft and home decorating projects.

- Allows for easy placement, graphing and charting
- Fuses fabric to fabric or other porous surfaces such as wood or cardboard
- Fuses well, film lifts easily with very good adhesion coverage
- Excellent bond strength
- Use with any weight fabric
- Has no grain, so it can be applied in any direction
- Finished items can be washed and dried according to the fabric care requirements
- 100% Polyamide
