

Glue Baste It

This incredible appliqué glue is 100% water-soluble, dries in minutes, holds firmly until you want to loosen it, and does not feel stiff when dry. The unique syringe applicator allows controlled placement of droplets of glue. Contains no dyes, waxes to harmful chemicals, pH neutral. Great for scrapbooking, appliqué work, quilt binding, chenille strips - use anywhere you would normally use pins. Available in a 2 oz. bottle and the Travel Size .5 oz. bottle. Made in the USA.

Includes 1" and 1½" tips

Marking Pencils

Trusted by quilters worldwide, this pencil is pure chalk and 100% water soluble. It contains no waxes, dyes or harmful chemicals. It glides smoothly and evenly across fabric without crumbling, leaving fine visible lines to guide your quilting stitches. Electric sharpeners quickly form sharp points without wasting half of the pencil. Available in two naturally occurring colors, white and silver. 4 count. Choose 4 whites, 4 silvers, or 2 white/2 silver.

Applique Needles

Created by Dierdra to meet the needs of hand appliquérs. It is a hybrid of three types of needles. This British made needle is thin with an evenly tapered point that will make it feel like passing a hot knife through butter. It is stronger and a little longer than the traditional Sharps and also sports a significantly larger eye for easier threading. There is no size attached to this needle as it is unique unto itself and does not follow the traditional rules. Each tube contains 50 needles.

Stock # RX-13510

Basting Needles

This British made needle is thin and very long to meet the needs of basting quilts or applique. It is very flexible to allow maneuverability through the quilt. The eye is large enough for any thread you need to use. Approximately 2 ¼" long. 10 needles per tube.

Stock # RX-14507

Between Needles

Each needle is hand made in England and features an evenly tapered shape, quality plating, and the strength to handle tiny, even stitching. These needles have the largest eye on the market. Quality needles do make a difference in your hand quilting. Roxanne Needles are housed in handsome glass tubes and each tube contains 50 needles. Size 10 is recommended as a general all-purpose size.

Roxanne Needle Threader

This threader boasts the finest metal wand on the market, enabling it to easily thread those tiny sized 12 needles. The metal wand is fine but strong, and is heat set, as well as, crimped into its "credit card" thin holder for longer life. Beautifully gold embossed with the Roxanne logo. Made in the USA.
