## Fabric Mechanical Pencil Trio

Stock# 7021

Black 0.9mm lead

White 0.9mm lead

1.6mm Tracing  
Roller

3 functions in one tool. 360° Rotating mechanism lets you choose the tracing point for your project. Choose the Black 0.9mm lead for marking light fabrics, the White 0.9mm lead for marking dark fabrics or the 1.6mm Tracing Roller rolling ball point that glides smoothly so normal writing pressure will imprint clear lines through chaco paper onto fabrics or without chaco paper.

## Tracing Roller Ball Pen

Smooth action ballpen to easily trace sewing guidelines on fabrics. The soft triangular grip gives excellent control and is easy to hold. The 1.6mm diameter rolling ball point glides smoothly so normal writing pressure will imprint clear lines through chaco paper onto fabrics or without chaco paper.
