Stitching Lines 100ct  
Stock# SL1

**Stitching Lines** is a paper stitching product that makes sewing half-square triangles, snowball corners and flying geese rectangles fast, easy and accurate.

With **Stitching Lines**, you sew on the dotted lines and then tear away. The paper tears away easily with little, if any, paper residue. There is no need to pin the paper strip to the fabric, it stays where you put it.

**Stitching Lines** will give you an accurate 1/4" seam allowance.

**Includes 100 Stitching Line Strips.**

**Quick & Easy  
Half Square Triangles**

Cut "Stitching Lines" 1/4" shorter than diagonal. Center over diagonal on wrong side of square and stitch on outside lines.

Tear away paper on both sides.

Peel away paper down the middle.

Cut square apart.

**Type "Marin & Colusa" in the search box.**
